QUALITY POLICY

Striving for excellence and market leadership we provide innovative and competitive solutions to our customers worldwide.

We build safety and dependability into every step of the life-cycle of our defense and civil products and services.

We operate on a lean management system focusing on added value for our customers and on competitiveness and agility through constantly improved processes and tools.

Our drive for excellence is embodied in all our employees who ensure the quality and safety of our products and services through their unparalleled commitment and integrity.

QUALITY POLICY

André-Hubert Roussel
CEO of ArianeGroup

We aim at continuously improving our performance to satisfy our customers. We focus our actions on delivering on-time flawless products and services at lower cost.
